

Children's Advocacy Center of Greater West Texas Junior League Family Resource Center

Thank you for thinking of the Junior League Family Resource Center at Children's Advocacy Center of Greater West Texas, Inc. Unfortunately, we are no longer accepting the following items:

- Used stuffed animals
- Inoperable toys or toys with missing parts
- Stained or torn clothing
- Expired or opened toiletry items

For the safety of the children and families we serve, we always welcome new and unopened gifts; this ensures donated items that are hazardous, have been recalled, or violate other government rules concerning the reselling of used goods will not be utilized. Donations of new clothing, essentials, and toys helps eliminate barriers between families and healing. All previously used items must receive the approval of CAC staff before acceptance.

Thank you for supporting our families!
